Hello, everyone. Welcome to the “Sports Report”. This is David speaking to you near the long jump, at Garden City Sports Centre. Daniel is going to take his second jump. The second jump is always an important one. Will this be better than his first jump—only 7.59 meters? That is his worst jump this year! Daniel is the best in our school at the long jump, but he doesn't look happy today.

And now he is starting his second jump. He always has a long, slow run at the beginning. Oh, no! The second jump is worse than his first one – only 7.43 meters long.

Now Daniel takes his third and last jump. He starts to run. This is a faster beginning than the first and second jumps... and Daniel is flying! This looks a good jump, better than the first, and is it the best? This jump looks very, very long. Yes, 7.79 meters! That's a very long jump! Daniel looks very, very happy!
